## Introducing... **HOPE NOTES**

---

Hope Notes is a way to provide encouragement, cheer, inspire faith and instill hope in the hearts of people with Intellectual and Developmental Disabilities (I/DD) in our community, during the self-quarantine and social distancing period resulting from COVID-19.

**Beginning April 26<sup>th</sup> through June 30<sup>th</sup>, 2020**, you can help! We're encouraging our friends, families, community partners, volunteers, donors and the general public to share your pictures or words of encouragement with people who use the residential services provided by The Arc of Atlantic County.

Your pictures and words of encouragement will surely brighten the day of the person who receives your Hope Note.
