February 2026

Happy Belated New Year! !

It seems that this unprecedented cold weather has slowed everything down. So here I am, the first few days of February working with Brandy to get our newsletter out. I want to thank our City Road Department, Dave, Kyle and Bill for the amazing job they did plowing our city roads. The county roads in our community are still in the process of being fully clear. I am attempting to work together with the county to get a better response from them. The county has a lot of roads to maintain and a shortage of well-working equipment. Please be careful with the low temperatures we have been experiencing for icy spots.

Firemen's Pond has been used by skaters more this year than I can ever remember. Please be aware that Mill Pond is not a safe place to skate ever! More than anything, I want our residents to be safe.

As some of you might know, Brunhilda, my Port Republic Barred Rock Chicken did see her shadow on February 2nd and she wants me to remind you that the first day of spring is 6 weeks away, so don't be discouraged, eventually this will all go away.

Mayor Niki

Transfer Station Reminder & Community Cooperation

The City of Port Republic Transfer Station is provided as a convenience for residents only and is intended for normal household waste. Please be reminded that construction and demolition debris, commercial waste, and materials from contractors or large renovation projects are not permitted at the facility.

Misuse of the transfer station increases overall tonnage and disposal fees, which directly impacts operating costs and, ultimately, taxpayer rates. Keeping waste within allowable limits helps control these expenses and ensures the facility remains available and affordable for everyone.

We ask all residents to please follow the posted rules and regulations and to work cooperatively with our Department of Public Works staff when using the transfer station. Our staff is there to help, but they are also responsible for enforcing these rules to protect the City and its residents.

Your cooperation is appreciated and plays an important role in keeping Port Republic's public services running efficiently and responsibly.

Thank you for your understanding and support.

Bill Montag, Director of Public Works
